Honolulu, Hawaii

PSF 99od-024

OAHU

Amend Prior Board Action of January 27, 1989, Item F-8, Set Aside of State Land
for a Microwave Tower Site at Puu Ualakaa, Honolulu, Oahu; Rescind Prior
Board Action of February 14, 1986, Item F-12, TMK (1) 2-5-019:003 portion.

BACKGROUND:

On February 14, 1986, item F-12, the Board authorized the recommendation to the Governor for issuance of an executive order setting aside 200 square feet of State lands to Department of Accounting and General Services (DAGS) for the Oahu-Kauai Microwave System.

On February 27, 1989, under agenda item F-8, the Board authorized the recommendation to the Governor for issuance of an executive order setting aside 792 square feet to the Department of Budget & Finance for Puu Ualakaa Microwave Tower site. A copy of the submittal is attached as Exhibit A.

Staff understands the 1989 approval was to supersede the 1986 approval. Therefore, staff recommends the Board rescind its 1986 approval.

Notwithstanding those approvals in the 1980s, the set aside was held up because the subject area was to be withdrawn from the Round Top Forest Reserve, as approved by separate Board action. The withdrawal was not completed until early this year.

To finalize this outstanding request, staff recommends the Board amend its prior action of February 27, 1989, item F-8 by changing the applicant to DAGS, which is the current agency responsible for the facilities.

Further, staff recommends the Board amend the set aside purpose to telecommunication purpose, which is the subject of the related Conservation District Use Permit.

RECOMMENDATION: That the Board:

1. Rescind its prior Board action of February 14, 1986, item F-12.

2. Amend its prior Board action of February 27, 1989, item F-8 by:
 - A. Changing the applicant to the Department of Accounting and General Services;
 - B. Changing the set aside purpose to telecommunication purpose.

Respectfully Submitted,

Barry Cheung
District Land Agent

Subsection 5(b), State Admissions Act

ZONING

State Land Use Commission: Conservation (Resource)
City & County of Honolulu: Preservation

APPROVED BY THE BOARD OF
LAND AND NATURAL RESOURCES
AT ITS MEETING HELD ON
1/27/89

EXHIBIT " "

CONSIDERATION

Gratis

REMARKS

On October 28, 1988, the Board under Agenda Item H-9, approved Conservation District Use Application (CDUA) No. OA-1724(A) filed by the Department of Budget & Finance to modify an existing telecommunication site at Puu Ualakaa, O'ahu. The proposed modification involved an increase in the size of the parcel from 200 square feet to 792 square feet.

The original CDUA No. OA-1724 was approved by the Board at its meeting of April 26, 1985. Subsequently, the Board on February 14, 1986 approved the set aside of the original 200 square foot parcel. Thus, this subject set aside would supercede the previous Board approval by increasing the parcel size to 792 square feet.

RECOMMENDATION

The Board recommends that the Governor of the State of Hawaii issue an executive order which would set aside the above-described area for the Puu Ualakaa Microwave Tower site and grant right-of-entry to the Department of Budget & Finance to construct, install, maintain, and repair the equipment building, tower, and landscaping subject to the following:

1. The Department of Budget & Finance shall comply with all terms and conditions imposed by the Board in approving CDUA No. OA-1724A;
2. The Department of Budget & Finance shall submit three (3) sets of survey parcel maps, and descriptions of the area for set aside;
3. Other terms and conditions as may be prescribed by the Chairperson.

Respectfully submitted,

MIKE K. SHIMABUKURO, Administrator
Division of Land Management
